89th Year, No. 3 | Truckee, Nevada County, California | Thursday, January 9, 1958 | 10c Per Copy—$3 Per Year | Since 1869

Bright Future For Area Seen As Plan For C. of C. Made

Committees Are Named To Further Activities In This District

It will cost a little more to belong to the Truckee Chamber of Commerce this year, but the program outlined by President N. F. Dolley during yesterday's meeting will make it more than worth the added $10.

This was the opinion of the more than 20 members who attended the first 1958 session yesterday.

Dolley named his committees and at the same time urged any not willing or unable to serve to speak out since it is planned to have a working organization with definite aims during the year.

The next meeting will be held at Brown's Cafe January 24 and all members or potential members are asked to attend.

Among projects tentatively outlined for the year are brochures, improvement of housing, streets, public services and other matters for community betterment.

It was voted unanimously to increase dues from $20 to $30 per year for individual businesses and from $40 to $50 for corporations and companies.

This, Dolley pointed out, is necessary to meet the budget to provide for the proposed projects.

Committees named are:

Membership and finance; Zeph Rose, Lee Apple and Kenneth Hedlund.

promotion and publicity: Walter Barrett, George Kaspian and Cecil Edmunds.

Sports and recreation: Dr. Robert Affeldt, Jack Neugebauer and Dr. Ben King.

County government: Harold Welch, Dan Horman, Earl Stice and Richard Walker.

Local government: Kenneth Hedlund, H. G. Loehr, Walter Barrett, W. M. Englehart, Jr., and Rex Reid.

Streets and highways: George Young, H. G. Loehr, Harold Welch, Robert Mosby and Frank Fox.

CHILL WEATHER IS RECORDED IN AREA

Henry Toccalini of the Tahoe Forest Service said that the temperature high for the current week was 40 above on Tuesday, January 7 and on Sunday, 5, the low was 6 degrees below zero.

Precipitation for the period from September to the end of December was 11.84 and the normal for the same time was 8.26 and the total precipitation for December of 1957 was 7.20 and the normal is 4.48, giving us moisture above normal to date.

This has been compared to precipitation for the same period of 1956 when it fell .43 below normal.

SNOW EXPERT WILL ADDRESS PTA HERE

Montgomery Atwater will be the guest speaker at eight o'clock on January 9 in the local high school at the Parents Teachers Association meeting. The well known snow expert and lecturer has chosen as his subject, "The 1960 Olympics and What They Mean to Our Community."

Elmer Brown will preside at the business meeting and refreshments will be served by a committee at the close of the program.

A large audience of parents and any others who are interested in hearing the well-versed speaker is expected.

WINNERS ANNOUNCED FOR BIJOU SKI MEET

BIJOU—Two University of Nevada students and a son of the school's all time ski great Sunday dominated the combined cross country and jumping tourney which wound up the fourth annual Nordic clinic of the Far West Ski Association at Heavenly Valley.

Dick Dorworth, 19, Reno sophomore, took top honors in the class B jumping for a combined score of 441.3 points to win the meet.

Doug Salter, 17, Reno freshman, won the junior division for boys between 15 and 18.

Wayne Poulsen, Jr., 14, of Squaw Valley swept to victory in the lower junior division with a score of 407.7.

His father is the Squaw Valley ski pioneer.

MRS. BAKER FETED AT FAREWELL PARTY

On January 2 at Donner Lake Lodge a farewell dinner was given for Mrs. Kay Baker. Mrs. Baker is leaving to move to southern California. Cocktails and a delicious dinner, topped by crepe suzettes which were prepared from the chef's special recipe, were served to Mrs. Lynn Collins, Mrs. L. D. Nelson, Mrs. Kenneth Turner, Mrs. Jack Neugebauer, Mrs. Duke Worsham, Mrs. Eve Hallett, Mrs. Connie Euer, and the guest of honor, Mrs. Kay Baker.

The party was joined later by Mrs. R. L. Harris and her two guests from Rodeo, Mrs. Preston Stone and Mrs. Rene de La Briandais.

456 Are Booked In Truckee Jail During Year, Says Report

A total of 456 persons were booked at the Truckee jail during 1957, Deputy Roy Waters revealed in the annual report of activities of the Truckee sub-station of the Nevada County sheriff's office.

The report further shows that 238 investigations were conducted by the local officers of which 80 were found unfounded and of which 29 were felonies.

In the latter category, burglary led the list with 11; grand theft, 6; forgery, 2; issuing checks without funds, 1; felonious attack, 2; theft of government property, 1; breaking and entering, 6 ex-convicts with firearms, 1.

Losses through burglary and theft were set at $3,634.26 of which $2136 was recovered, the report shows.

Sixty-three juvenile cases were investigated and 19 of these were referred to the juvenile court and 44 released to parents.

Drunks led the list of bookings with 116 reported in this category while drunk drivers totaled 32 and car thefts, 16.

Athletic Club Will Open Season Tues.

The Truckee Athletic Club will start its 1958 basketball league on Tuesday, January 14 with the American Legion vs. 20-30 Club and Brown's vs Pastime at the high school gym, Miss Patricia Andres, president, announced.

The first game starts at 7 p.m.

If anyone is interested in playing in the league, there are several teams which can use extra players, Miss Andres said.

The club is also interested in anyone willing to referee games and potential officials are asked to contact Miss Andres.

The 1958 schedule will be published next week.

RITCHIE OPENS NEW CALIFORNIA CAFE

Peggy and Jim Ritchie, well known throughout this area where he has been chef at a number of eating establishments have leased the California Cafe, adjoining the Bank of America and purchased the equipment and reopened the restaurant.

"Good, clean food at reasonable prices, coupled with fast, efficient service, will be our motto, Ritchie declared.

The restaurant is being leased from Mr. and Mrs. A. B. Poyanich and has been completed renovated for the reopening.

BROTHER OF LOCAL WOMAN SUCCUMBS

Mr. and Mrs. Harry Eaton attended funeral services January 4, for her brother, Dale A. Delvins at Cedarville, Modoc, Calif.

The deceased lived here 20 years ago and died January 1 in the Oakland Veterans Hospital.

He was a resident of Sacramento where he was a member of Scottish Rite and a member of Masonic Lodge No. 235 of Surprise Valley and was a veteran of World War 1.

Survivors are his mother, a brother and two sisters.

ALL ALIENS REQUIRED TO REPORT IN MONTH

Bruce G. Barber, the district director of the immigration and naturalization service, advised today that the annual alien address report program is again under way.

According to Barber, over 200,000 aliens reported their addresses last year in northern California. The number this year is expected to be slightly larger.

The immigration official pointed out that the address reports are required by law and willful failure to comply with these requirements may lead to serious consequences.

Forms with which to make the reports are available at all post offices and immigration offices. It is an easy matter to fill out one of the cards and return it to the same office.

Glenns See Kings—

Mrs. Wilber Glenn and three sons, Charles, Russell and Wilber, Jr., have returned home from Portland, Ore., where they visited Mr. and Mrs. R. L. King and children who formerly lived in Truckee. The Glenn family made their first trip to Portland via train.

Wolverines Again Win As Carson Is Dropped 44 to 43

Stewart Teams Scheduled To Play Here This Saturday Night

by JOHN FIRPO

The Tahoe-Truckee Wolverines avenged their only loss of the season last Saturday night as they defeated the Carson City Senators 44-43. The Wolverines now have a 5 win—1 loss record with their only loss being at the hands of the Senators 68-60 earlier in the season.

Berger Nelson's two free throws put the Wolverines ahead 44-41 with less than a minute left as Carson could only muster 2 points and the final buzzer gave the Wolverines their fifth win. The Wolverines came back, though, to lead 20-14 at the half.

In the third quarter Carson would edge up within one or two baskets to the visitor's lead but couldn't go ahead as the third quarter ended 30-27, Tahoe-Truckee. With four minutes left, the home-town Senators tied the game up 38-38 but just couldn't keep the pace in the final minutes as they could score only three free throws and one field goal to lose 44-43.

High point for the evening for the Wolverines was center Floyd Cooper with 11 while teammates Ken Osburn and L. J. Robinson had 10 and eight respectively.

Much credit for the Wolverines wins is in the fact that Coach Jim Brehler has done a lot for the team. This team is a far cry from the basketball team of two years ago who lost 18 games. In the last year and this, Brehler has built a very strong team which stacked up wins against teams never before beaten by any Tahoe-Truckee team.

Turning to the preliminary contest the J.V. "Cubs" lost their fifth contest at the hands of the Carson J.V. 42-37. Sam Medford was high with 13 in the "Cubs" losing cause. Bob Merica followed with seven points.

Both teams will host the Stewart Braves here this Saturday. Game time is set at 7 p.m.

DEMOCRATS ATTEND FRESNO MEETING

All interested persons are invited to attend the next meeting of the newly formed Truckee-Tahoe Forest Democratic Club to be held Wednesday, January 15 at 8 p.m. at the Sportsman. I. O. Gifford, president of the club, promises an interesting program, which will consist of a report on the Central Democratic Committee convention to be held January 10, 11 and 12 at Fresno.

Voting delegates from this area will be Gifford and Joe Mattos of Truckee, and Asa Abbott and Fred M. Schultz of Kings Beach. They will be accompanied by several alternates.

LINDSAY IS NAMED TO BOY SCOUT POST

Paul Chamberlain, president of the Tahoe Area Council, Boy Scouts of American announced at the executive board meeting of the council last week that Assemblyman Francis Lindsay of Loomis, has been appointed conncil-wide chairman of Scout Government Day. Scout Government Day is scheduled for the 10th of February, during Boy Scout Week.

During that day, elected Scouts will take over the various city and county offices of participating officials, to better familiarize themselves with the responsibiilties of citizenship and government offices.

Motor License Fees Are Received By County

SACRAMENTO (CNS) — State Controller Robert C. Kirkwood announced the apportionment of $8045 to Nevada County in motor vehicle license fee revenue for the six-month period ending last November 30.

The total apportionment for the six months was $8,565,080. It is allocated on the basis of population, with about 43 cents per capita for cities and about 40 cents per capita for counties.

MEETING DATE CHANGED

The meeting time of the Truckee Public Utility District board has been changed and the meetings are now held at 2 p.m. on the second and last Thursdays of each month at the office of the district.

SUNBEAMS

By WALTER M. BARRETT

Your chamber of commerce is starting out the new year with confidence that this will be the best year Truckee and this vicinity has ever had, but it is soliciting your support to bring prospects into fulfillment. Your chamber can be only as strong as its officers and members and cannot accomplish benefits for the community without united effort from all individuals. There is much to be done in the way of developing a better community and we have the promise of the chamber officials that they will exert every effort toward a definite program of accomplishments, but without individual support this will be impossible. Make it a habit to boost the community—it's just as easy as criticizing—and get behind the chamber and keep the ball rolling. If we have faith in ourselves and boost rather than knock, we will end the new year with a much better town and area and feel a lot better toward everyone concerned than if we just sit back and hopefully wait for something to be handed us.

Two Sentenced In Local Beating Case

A four-month jail sentence coupled with probation with rigid restrictions for five years marked the conclusion of the legal steps taken against Ray Dyer and Gene Robert Brannon, both 24, who were charged with severely beating Roy Grimm, 51, one-armed flagman on a construction job near Floriston last fall.

During the time of their probation, the defendants must pay $25 a month to Grimm unless he completely recovers from the effects of his ordeal. They must refrain from the use of alcohol and are not permitted to visit places where alcohol is sold. They must support their own families and obey all laws and each was ordered to pay the County of Nevada $250 within 18 months after their release from jail.

The sentence was imposed by Judge Vernon Stoll. District Attorney Harold Berliner conducted the prosecution.

CHAIN REGULATIONS WILL BE UNCHANGED

Current regulations regarding the use of skid chains of trucks and buses traveling over Donner Summit will remain in force despite requests by the operators that some of the rules be modified.

A meeting of truck and bus company officials with division of highway and highway patrol people was held here Tuesday for a general discussion of the matter. The operators asked that they be provided with better information on roads and weather. Captain Jacobs from CHP headquarters, Captain Robert Langer of Roseville and Sergeant Frank Snyder represented the patrol.

SUGAR BOWL TO HAVE SKI MEET ON SUNDAY

SUGAR BOWL — The Sugar Bowl Ski Club will hold a giant slalom for juniors in classes I, II and III on Sunday. The event is sanctioned by the FWSA. Luggi Foeger, head of the Sugar Bowl Ski School, will set the course on Mt. Disney's "McTavish Run" and there will be about 30 gates.

Walter Haug, manager of the resort, reported that more than 2000 people passed over the Magic Carpet daily during the past weekend and that the snow conditions are excellent.

Foeger's ski schol is proving a huge attraction for skiers and his "wedeln" classes are attended by many experts. Sally Dickerman, one of the country's best known skiers will be training the juniors every weekend under Foeger's direction.

FLIES SOUTH

William M. Englehart, Jr., this week accompanied his son, Merrill, to Los Angeles by plane and the latter will resume his studies there. Englehart will return later with Mrs. Englehart who had driven south for a brief vacation.

Tahoe Shortcut Is To Receive Huge Sum For Repairs

Anderson Objects To Use Of County Funds On Local Road

The Placer County Board of Supervisors, over the objections of Supervisor J. O. Anderson late Tuesday approved the expenditure of $29,000 of county money on the Truckee-Brockway shortcut.

Bruno Bacci, road commissioner, said the county funds, together with $193,000 federal money and $137,000 state matching funds will be used for four and four-tenths miles of road.

He said the entire 10-mile project will cost $800,000.

Anderson argued the federal funds should not be tied up on an alternate route when other roads in the county need work.

CLOUTERS PAY $100 IN LAKE TAHOE CASE

TAHOE CITY—When the battery of your car dies or is run down from trying to start the motor on cold mornings, it is a good idea to have it charged or buy a new one and this will prove much cheaper than the method employed by John J. Underdahl and Elden B. Pearce, Jr., of San Francisco.

These two young men appeared before Judge F. W. Wilson sitting for Judge Harry Charrison in the Tahoe Judicial District Court Monday and paid fines of $100 each for car clouting.

According to information, the two were visiting Squaw Valley on December 21 when they discovered their car battery was useless so went to a nearby vehicle to "borrow" one. They were apprehended, placed on $100 bail and pleaded guilty when they appeared in court.

POTLUCK SUPPER IN STORE FOR DANCERS

A potluck supper, square and round dancing, and some dance instruction are the agenda for the meeting of the Donner Dancers tomorrow evening in the Veterans building. Food starts the festivities, with supper scheduled for 7 p.m. A short class will follow for the adult beginners' group under the direction of John Levra. The Friday night dancing party will wind up the fun.

Last week the group welcomed Gene and Frances Tompkins, Charles and Betty Rich, Jimmy and Millie Chastain, Mr. and Mrs. Hall and their daughter, Renee. Guests are always welcome at all Donner Dancers' functions.

The young peoples square dance class will meet tonight in the Veterans Hall at 8 p.m. under the direction of Lloyd and Virginia Everett.

CONTRACT AWARDED FOR HIGHWAY 40 JOB

The state department of public works has awarded a $5,052.434 contract for the construction of six miles of freeway on US Highway 40 in Placer and Nevada counties.

The award was to Clyde W. Wood and Sons, Inc., of North Hollywood and Kirst Construction Company and Alwood Corporation of Altadena.

It is the first project to be awarded from the 1958-59 state highway budget. State law permits such contracts to be awarded as early as January 1, six months before the start of the fiscal year.

The work consists of grading and paving to build a four-lane freeway between Hampshire Rocks and one half mile west of Soda Springs. Structures will include a bridge over the South Fork of the Yuba River and two undercrossings.

Highway Users Tax Is Shared By Nevada Co.

SACRAMENTO (CNS) — Nevada County has received $22,796 as its share of the $24,203,185 in highway users taxes apportioned in December, State Controller Robert C. Kirkwood announced.

Counties received $6,125,987, cities $2,370,590, with the balance of $15,706,68 going into the state highway fund for expenditure on highways. The apportionment was down $6,8488,176, or 22 percent from the previous month and down $1,885,039, or 7.23 percent from 1956.

Jeanette P. Watson, Tahoe Pioneer, Is Dead After Stroke

Funeral services were held Tuesday afternoon at the Truckee Colonial Mortuary for Mrs. Jeanette Pomin Watson, 76, member of a pioneer Lake Tahoe family, who expired here Sunday afternoon. Interment was in the Truckee cemetery. Rev. A. T. Hanson, pastor of the Community Methodist Church, officiated at the rites.

Mrs. Watson was born at Glenbrook, Lae Tahoe, Nev., December 12, 1881. She spent her entire life in the Tahoe region and was one of the most active and well-loved residents of the community.

Her husband, the late Herbert Watson, died in February, 1953 and they left no children. Ernest Pomin of Tahoe City is the only near relative surviving.

Mrs. Watson suffered a stroke at her home Saturday and was rushed to the hospital but never regained consciousness.

School Board Will Study Many Items

A busy agenda faces the governing board of the Tahoe-Truckee Unified School District Tuesday, January 14, Superintendent John Corbin announced.

One of the top items on the agenda will be a discussion of closing hours for after-school activities and establishment of a policy for this matter. It has been suggested that dances end at 11 p.m. and that the junior prom conclude at 1 a.m.

A letter from the state educational agency for surplus property relative to transportation of students from Floriston to the new freeway across the S.P. tracks will be discussed.

The board will also discuss the possibility of renting the cafeteria and gymnasium to the California Highway Patrol for use of that agency during the holding of the 1960 Winter Olympic games. On the same subject, the board will decide on an application from the Lake Tahoe Archers for use of the Kings Beach school gym on Saturday and Sunday.

The ski program, threatened by lack of finance for the project this year, will be another topic up for action as will be the request that all non-certificated employes of the school be fingerprinted.

HOAX SENDS MEN ON SUMMIT RESCUE HIKE

A report from an airplane patroling the telephone lines over Donner Summit, that the word "Help" had been seen in huge letters stamped in the snow, Sunday sent Deputy Sheriff Emery Lander and Richard Hamptf to the area back of Soda Springs.

There they found the appeal in the snow but investigation revealed that pranksters from a nearby club had stamped it out and no one really wanted help.

The deputy and Hamptf covered nearly three miles on snowshoes before they located the hoax.

Veteran Service Officer Scheduled Here Monday

Weather permitting, the Nevada County veterans service officer will be in Truckee on Monday, January 13 between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of these services may do so at the justice court office of Judge Fosten W. Wilson.

BABY CLINIC

KINGS BEACH — The Well Babies Clinic will be held on Friday, January 24 in Carpenters Hall at Kings Beach, according to Mrs. Robert Howell's announcement of the change of time and location, this week.

D.A. TO VISIT

District Attorney Harold Berliner, has announced that he or a represetnative of his office will be at the justice court in Truckee from 1 to 5 p.m. today to permit anyone with business with the district attorney to discuss the matter.

PROMOTED

Mr. and Mrs. Tom Sheehan of Tahoe City received a letter from their son, Dan, from Memphis, Tenn., where he is stationed at a navy base with the U. S. Marines. Young Sheehan is apparently enjoying his new experience and has recently received a well-earned promotion.

Hospital Plan For Expansion Given Help By Officials

Meeting Next Week May Determine Future Of Local Hospital

Another forward step in providing necessary expansion of facilities at the Tahoe Forest Hospital were taken Thursday evening at a meeting in Auburn between hospital officials and State Senator Harold T. Johnson of Roseville.

The hospital group, including Board President Asa Abbott and Members James Sherritt and Charles Heller, Administrator John J. McGlade, Treasurer Daven Morey and Dr. L. D. Nelson drove down to attend the meeting held at Auburn Hotel.

Purpose of the meeting was for the local people to present to Senator Johnson a master plan which will bring the hospital facilties up to standards required for providing a medical center during the 1960 Winter Olmpic as well as care for the fast increasing demands upon the local institution.

After hearing the plans, Johnson said he would attempt to arrange a meeting with the state bureau of hospital officials, representative of the California Olympic Commission and Organizing Committee with Gov. Goodwin J. Knight in the latter's office in the near future, possibly early next week.

Governor Knight has evidenced a strong interest in the expansion plan and his support has been assured, Johnson told the group. Members of the Olympic Commission have also offered all possible support since an adequate medical center during the 1960 games is of vital importance.

Efforts will be made to have the state and federal hospital assistance agencies share with the local district in providing the funds necessary to finance the expansion. This expansion will include two wards, enlargement of the emergency area and other necessary alterations and improvements.

SHERRY CURRAN IS INJURED IN MISHAP

Miss Sherry Curran, 16, daughter of Mr. and Mrs. William F. Curran, has returned home from a Reno hospital where she underwent surgery on her left arm to repair damage caused by a freak accident at the Curran home 10 days ago.

Sherry slipped on the floor and in falling plunged her arm through a French door. The jagged glass severed the arteries and tendons in the left wrist and she was rushed to the Tahoe Forest Hospital for emergency treatment, later removed to Washoe Medical Center for surgery.

The girl was on the operating table for more than four hours as doctors mended the cut tendons. She will be incapacitated for some time but hopes to regain full use of the injured hand and arm.

CHILDREN INJURED IN SOLON CAR CRASH

Three young grandchildren of Nevada State Senator James Michael Flattery of Reno were injured Sunday morning at 6:30 when the car driven by the sena for was wrecked eight miles east of here on Highway 40.

Taken to the Tahoe Forest Hospital for treatment were Patrick Flattery, 10, Francisca Conforte, 9, and Ruth Conforte, 7, all of San Francisco. Patrick had severe cuts on his face and Ruth had a broken foot. Francisca was not as badly injured.

According to Flattery, he was driving west, apparently returning the children home after a Reno visit, when the lights went out on the car while crossing in Hirschdale bridge. He applied the brakes and the car struck the guard rail and overturned. The driver was not injured.

Truckee Elementary PTA Will Hold Meet Monday

The Truckee Elementary School PTA will meet at the school Monday evening when a program and refreshments will highlight the affair. Mrs. Wilbur Glenn will preside.

The PTA is planning a box social to be held Saturday, January 25 at the school. Details will be announced later.

STRICTLY STRICKLAND

By Bill Strickland

For some unknown reason, skiers, when they get out of their cars, fracture more safety laws than you can shake a stick at. I think the resort operators and club managers would be wise to post this item on their bulletin boards and then point it out to their guests. If the present attitude is maintained, someone is going to get hurt—and badly. In fact they might even make the papers via the obit column. These skiers, when they are in their cars, are very adamant in their use of U.S. Transcontintental Highway 40, in, that it is for vehicle first and only. Yet, as soon as they are out of their cars they use it as though it were promanade path in the park. Just last weekend, I came so close to wiping out three of these sidewalk strollers, it wasn't funny—I was traveling east on a slight down grade after having just come over a small crest. A semi-trailer was traveling west at a pretty good rate of speed when I popped over the rise—there, less than 100 feet in front of me were our strollers. The road was icy and let me tell you, I used every trick I've learned in 25 years of mountain, snow and ice driving to stop my juggernaut. And, would you believe it if I told you our three strollers not only did NOT move off the highway, they didn't even look over their shoulder to see what was causing all the commotion. When the truck had gone by and I pulled abreast of them in the wrong lane, one finally turned to see what was going on. Had he turned in the opposite direction his ski heels would have made contact with my car and those sharp steel edges would have performed some surgery on his neck. Yet, when I commented that it was pretty dangerous to use Highway 40 as a sidewalk he remarked, "Let lost, DAD."

Scotty Urpuhart, who was Charlie Secco's right arm at Crest Lodge several winters back, has returned and will assist at Crest again, as well as Ice Lakes. Scotty has been on an around the world junket. He visited his family in Scotland (where else) and later on while in Japan met and married a Japanese girl. His new wife will join him here in a few days.

Saw a new way of compiling a mailing list yesterday. A representative from one of the other areas was visiting the parking lots on the Mountain and taking down car license numbers. He must have some means of getting names and addresses from the department of motor vehicles. Consequently comes up with a list of people who ski, and winds up with quite a list for his advertising ballyhoo. Don't say we never pass along new promotion gimmicks, but look out, or you'll lose some of your customers.

Ronnie Rau, the United States' best candidate for the 1960 Winter Olympic team has been training very diligently in an effort to regain full use of his leg which was broken last April. It has not healed as thoroughly as everyone had hoped; so may, as a result, keep him out of competition this year. If he con't compete, it will just about end any mathematical chance of his being selected as a team contender for 1960. The means of selecting candidates clearly stipulates that those who have competed in as many sanctioned meets as possible will be given points for their achievements, and those with the highest number of points will be selected. So, even though you may take first place, worth 10 points, in the three meets you can afford to attend for a total of 30 points, you can still wind up out of the running because some one else took seventh place—worth 4 points each—in the 10 meets that they had the time and money to compete in for a total of 40 points. Everyone on the Mountain is pulling for this fine young man to make it, and everyone also believes, as I do, that when he does, the United States will have it's first gold medal winner in men's Alpine competition in the Winter Olympic Games.

The holiday period just ended has probably been the biggest and best in the area since skiing first started becoming popular way back when. Our three perennials, Jake, Kelly and Bev, took off for the flatlands Sunday night after having been here for 10 days—their parting shots were, "Don't have any any guests weekend, 'cause we'll be back Friday night."

NORTH TAHOE

By JUDGE HARRY CHARRISON

EDITOR'S NOTE: Judge Charrison, although greatly improved following a recent illness, is still on the recuperation list and his friends are again this week providing the items for his column. Everyone hopes the judge will be back in stride again by next week's issue.

Fishing Good

Sunday, January 5th: Cold nights, but sunny, pretty days here at the North End. Quite a few fishermen here had good luck fishing near the shore from boats and several were out there all day.

Expect Skiers

This week after the New Year is always dull and there is currently a lull before the buses come in and skiers fill our resorts and motels. However, there are many cars going by on their way to the ski areas.

Clubs Open

Lake Tahoe Monte Carlo is open and had a big crowd for the New Year celebration. The Crystal Bay Cub was filled on New Years eve with local people and outside guests and the Sierra Lodge reported a large crowd on the holiday. There were also more house parties than usual this year, we hear.

Cooleys Up

The Ed Cooleys of Incline were here for the holidays and plan to use their new home here most of the year.

Rest In L.A.

Ed and Dottie Moore are on a needed rest in Los Angeles and the desert, but were expected home this week.

In Accident

Erwin and Alice Kellogg of Tahoe Vista were in a very bad automobile accident Thanksgiving while on their way to Madera. Alice has a broken leg, arm and several ribs and Erwin a skull fracture. They are still both on the shelf, as Mr. Kellogg says. The summer at the lake will help, we hope.

Mother Ill

Dick and Ruth Lavery are in Sacramento to be with the former's mother, who has been ill.

Back At Lake

Dorothy King is back home from Reno and says she just couldn't wait to get back to the lake.

New Deputy

Woody Burris is our new Placer County deputy. He will join John Rabska and Jerry Rapisaida. The Burrises own the Sun and Ski Lodge at Kings Beach which is staying open this winter.

Home From Washington

Byron and Wilma Abbott are home from a visit to Washington with their daughter, Dianne and her husband, Lem Lempke. Jacquie was along too. She is attending a beauty college at Reno and likes it.

Beavers Wed

Well, the news is that our old friend, Butch Beavers was married in Las Vegas this week to Ann Gustofson and they expect to make their home here. Congratulations, Butch.

Ski Injuries

Kenneth Lavery of Kings Beach, student at the University of Nevada, is studying in bed at the Washoe Medical Center at Reno after having broken two bones in one of his legs while skiing Sunday at Squaw Valley.

Judge's Message

Mrs. Charrison and I want to thank our friends for the cards, telephone calls, help and good wishes. I'm improving every day knowing this community is pulling for my recovery. Thanks everyone.

TRUCKEE BIBLE CHURCH

Sunday services were held at the Gifford property for the first time January 5. There is adequate room for Sunday school classes to meet individually and there is space being utilized in the heated basement for a nursery for the younger children and babies.

We want to express our gratitude to Mr. and Mrs. William Englehart, Jr., for opening their home to the worship services these past several weeks.

Men's prayer meeting on Tuesday at 6 a.m. will still be held at Wes Boyer's home, but all other weekly gatherings, such as the Wednesday evening power hour and Teen Times, will be held in the new location.

This Friday evening at 7:30 we look forward to another eventful evening when Teen Time will meet for fun and food. As a climax of the evening's festivities Allen Young will bring the devotion for the evening. Ginny Fudge, our song leader, will lead the songfest with many wonderful choruses from the Youth Sings Books being used.

The message for Sunday is the second in a series on the Victorious Life, the title of which is "Let Go and Let God."

WASHOE SHERIFF IS SUIT DEFENDANT

RENO—Washoe County Sheriff C. W. (Bud) Young and Alton A. Jack were named defendants in a $2400-plus civil suit filed in district court contesting the use of a lumber yard on E. Fourth street.

Crandall Brothers and Cowen Saw Mill, plaintiffs in the litigation, contended Young acting on the instructions of Mr. Jack, on December 2 stored lumber in the yard at 1990 E. Fourth street.

The plaintiffs contend their demands to vacate the yard have been ignored.

Represented by the law firm of Stewart, Horton and Campbell, the plaintiffs assert lumber stored in the yard interfere wth the operation of an adjacent planing mill and estimate damages at $50 per day.

The complaint also asks for $100 per day for rent of the yard.

CREATION OF NEW TAHOE COUNCIL IS PROPOSED AT MEET

Tentative plans for the organization of the Tahoe Lake of the Skies Council, designed to embrace booster organizations throughout five counties of the region, were formulated at a meeting held in Reno Sunday.

Tte meeting, presided over by Joseph F. McDonald, president of the Nevada-California Lake Tahoe Association, was attended by a group of Lake Tahoe organization representatives including Fred Schultz, president and William Bien, manager of the Lake Tahoe Sierra Chamber of Commerce.

The purpose of the proposed organization, McDonald declared, would be to provide:

"1. To promote the general welfare and development of the area.

"2. To provide the means through which segments of the area's population can join together to seek solutions to common problems.

"3. To undertaken studies and research on subjects affecting the entire area.

"4. To furnish information to all agencies, organizations and groups interested in development and activity in the area.

"5. To furnish assistance and advice to agencies, organizations and groups whose resources limit their operations on an area-wide basis.

"6. To establish and provide the means for a continuing program of international, national and regional public relations, publicity, promotion and advertising.

"This council should coordinate activities of groups representing: county, city and state governments; labor organizations; chambers of commerce; business organizations, or others, to the end that this region can present a united front in solving problems indigenous to the entire area."

In presenting the proposal of the committee McDonald said that the Nevada-California Lake Tahoe Association, which is sponsored by the Max C. Fleischmann Foundation of Nevada, will bear the expenses of forming the council and will provide matching funds for operation expenses.

STUARTS HOSTS AT LAKE FOREST HOME

LAKE FOREST—Home for the holidays were Ned R. Stuart, who is an engineering student at Chico State College and Jay L. Stuart, a pharmacy student at the University of California Medical Center in San Francisco. Ned and Jay are sons of the J. R. Stuarts of Lake Forest.

Additional guests included Reg Carlson, also a student at the medical center, who came up with Jay for a few days before Christmas, and Miss Sue Knofler who visited for a few days before New Years. Sue, a graduate of Tahoe-Truckee High School, formerly a resident of Donner State Park here and lately of Millerton Lake State Park at Friant, is presently employed in Placerville.

And bunking in the Stuarts guest quarters were Neds' teammates, members of the Chico State College ski squad and their coach, Garth Dunning, who enjoyed a special five-day training season in this locality.

Mrs. Anna Blaue of Tahoe Vista is seeing the sights of southern California. Recently she left Ventura to stay at Hollywood.

NEWS NOTES FROM TAHOE

by MARIE C. GRAHAM

Introduction

The feeling of having bitten off more than can be chewed comfortably is common to all of us, so you can understand my feeling in trying to take Naomi McLane's place on this column. We will certainly miss her her cheerful chatter each week. May I introduce myself—I am Mrs. Marie C. Graham, your librarian at the Julia Bechdolt Memorial Library, right next to the post office. I have lived here for a year and a half and have enjoyed every minute of it. Now let me wish one and all a very happy and prosperous New Year and then I'll get on with my news.

To College

Miss Elizabeth Beardsley has left for College of Pacific in Stockton, where she is a business major, after enjoying the Christmas holidays with her family here.

Entertain Guests

Mr. and Mrs. Nielsen were host to Mrs. Nielsen's sister and family, Mr. and Mrs. S. N. McLaughlin of Sausalito, over the holiday weekend. Their daughter, Sandra, and Barbara and Dick Nielsen had a grand time skiing at Granlibakken, which they said, "was the best ever." The Neilsens journeyed to Reno last Friday and returned the proud owners of a spanking new 1958 Chevrolet. May they have many pleasant and safe miles of travel in it.

Buy New Car

I heard that the Dale Freelands of Lake Forest are also proud possessors of a nice new car. Many happy miles to you, Phyllis and Dale.

At Party

Seen dining at the Crystal Bay Club on New Years day were Mr. and Mrs. L. M. Bury and their son, as were Dr. and Mrs. W. Henry and family, Don, Carolyn and Jimmy.

Cook Resigns

Mrs. Jess Taylor, our popular cook at the Tahoe Lake school has had to resign due to ill health. She will be missed by all the kids who use the school cafeteria and who hope she gets well soon so that she can come back. And those of us who are not kids hope so, too.

Bachelors Beware

A group of local citizens who shall be nameless, have made a New Years resolution—to marry off the three remaining members of the Bachelor's Club. Better watch out, fellows, they mean it.

Catches Big One

Art Panero went fishing in the lake last Tuesday while relaxing from his job of highway maintenance for the state, and caught one 28 inches long. Not the biggest certainly, but too big to throw back. The weather lately has been perfect for fishing.

Youth Recovers

The Chris Burmer's son, Gary, is home from Reno for an extended stay. Gary, you remember had an accident last fall and has been undergoing treatment in Reno ever since. All of his friends were glad to see him and to know that, although slowly, his arm is responding to treatment.

Observe Date

Mr. and Mrs. Phil Geier celebrated their 20th wedding anniversary December 29 with open house for a few friends and neighbors. Their daughter, Mrs. Charles Bailey, with her husband, Charles, and children, Susan and David, were up from Arcadia for Christmas and stayed to help celebrate the anniversary.

Visit Grinsteads

While returning from Walhalla, North Dakota, where they had gone to celebrate Mr. LePire's father's 98th birthday, Ernie and Irene LePire stopped to spend a night with the Grinsteads at their trailer park in Blackfoot, Idaho. The Grinsteads will be remembered as old-time residents of Lake Forest who left us last fall.

Back From Trip

Mr. and Mrs. Ralph Sturgis have just returned from an extensive trip east. Their travels took them to New York and Jamaca, among other places.

Sweater Accepted

Mrs. Oliver Corona has had another hand-knitted sweater accepted by the Nomotta Yarn Co. of Los Angeles. Mrs. Corona, the gifted wife of our postmaster, designs the sweater then sends a model and the pattern to the company. She is presently at work on four more—lumpy ski models—which she hopes to have ready for next year.

Aids Church Fund

The building fund for the new Episcopal Church, St. Nicholas Mission, in Tahoe City, has been enriched $500 by the gift of Mrs. George Bliss. Mrs. Bliss is well known locally for interest in the betterment of Lake Tahoe. Mrs. Howard is the new organist at the church and a fine musician. The choir, however, is badly in need of singers. Will anyone interested, both young and not so young, please report to the church at 7:30 Wednesday evening? On January 19th, there is a planned and usual sort of supper—a potluck supper, planned and cooked by the men. All are welcome—especially the ladies who will have a rare opportunity of discovering hidden talents in your respective husbands.

At Library

The following best sellers are now in the library:

Blue Camellia, Frances Parkinson Keyes; On the Beach, Nevil Shute; Compulsion, Meyer Levin; Peyton Place Grace Metaluis; The World of Susie Wong, Richard Mason; Flower Drum Song, C. Lee; Silver Platter, Ellen MacKay; The Day Christ Died, Jim Bishop.

Available at the library for the novice in skiing and for the "good but wants to be better" are:

Power Skiing—Principles of the Dynamic Technique by Tyler Micoleau.

MONTE CARLO HAS SPECIAL FOR SEASON

CRYSTAL BAY—Lake Tahoe's Monte Carlo has reopened for the winter season and the management plans a series of specials for the season, starting Sunday with a 98 cent prime rib dinner starting at 4 p.m. A dance band will be on hand Friday and Saturday and other entertainment is offered.

The holiday week saw the Monte Carlo, as well as other resorts in the Crystal Bay area filled with merrymakers.

Promising Program For Week At Local Theater

Another adventure-filled western Tarza, Son of Cochise, starring Rock Hudson, leads this week's attractions at Donner Theater.

Friday and Saturday comes one of the year's best pictures with James Stewart starring as Charles Lindbergh in The Spirit of St. Louis. Critics have been high in their praise of this picture, released by Warner Brothers in color and cinemascope. The Lindbergh story is well known and dramatization leaves nothing to be desired in entertainment.

Lisbon, starring Ray Milland and Maureen O'Hara will be on the local screen Sunday and Monday. A real chiller, 20 Million Miles to Earth, completes the week's bill on Wednesday, Not since King Kong has such a thriller been released with space creatures and what-not adding to the excitement.

Saturday's matinee will feature an all-cartoon program for the youngsters and starts at 1 p.m.

Dr. Kelley, Native Of Truckee, Kills Self At Berkeley

Private funeral services were held in Berkeley Friday for Dr. Douglas McGlashan Kelley, 45, a native of Truckee and member of a pioneer local family, who committed suicide in his Berkeley home New Years day. The ashes were interred in the McGlashan plot in the Truckee cemetery.

Dr. Kelley was the son of Dr. George F. Kelley, a practicing dentist of San Francisco who was justice of the peace and doctor here 50 years ago. His mother was the late June McGlashan Kelley, a daughter of the late Mr. and Mrs. C. F. McGlashan, pioneer local people. The deceased was a frequent visitor here.

Circumstances surrounding the doctor's suicide are still under study. According to press dispatches from Berkeley he had attended a New Year's eve celebration the night before and friends said he was apparently his usual jovial self.

The following day he was preparing dinner—being an excellent amateur chef—when he came into the living room, fondly embraced his wife and went into the library, and staggered back only moments later to say that he had swallowed poison. He collapsed and was dead before an ambulance arrived.

The cyanide was taken from a cabinet of medicines and medical curiosities that Dr. Kelley had collected over a period of years.

In the living room with Dr. Kelley's wife was his father. The psychiatrist had driven to San Francisco earlier in the day and picked up his father so they could watch the Rose Bowl football game on the son's color television set.

Big Work Load

Professional associates said he had an extremely heavy work load, but this was not unusual for the buoyant, energetic psychiatrist.

Dr. Kelley often told jokes about psychiatrists. Anguished friends recalled that one of his humorous remarks was that a psychiatrist's professional life was about 15 years—and after that time the psychiatrist either committed suicide or went crazy.

Dr. Kelley had been practicing since 1940, when he was director of the psychopathic ward at San Francisco Hospital. After World War II he was chief U.S. psychiatrist at the Nuernberg war crimes trials.

He had been professor of criminology at the University of California since 1949, a position from which he extended the use of psychiatry in the field of law enforcement.

He was a witness at several major criminal trials in this area.

Dr. Kelley, born in Truckee, was 45 years old. He is survived by his wife, Alice Vivienne Hill Kelley, and three children: Douglas, Jr., 10; Alicia, 8, and Allen, 4.

West County Dancers To Hold Dimes March Affair

The seventh annual square and folk dance festival as part of the March of Dimes fund raising drive, will be held Sunday, January 19, at the Veterans Memorial building in Grass Valley.

The program this year will commence at 2:30 p.m. and continue until 10 p.m. and the public is cordially invited to take part. There will be no admission charge, but donations to the March of Dimes fund will be gladly accepted. The festival this year is known as the "Foothill Frolic," and the masters of ceremony will be Loo Brady and Robert E. Loo.

As in past years, a savory spaghetti dinner will be served by the Gold Quartz peace officers, led by Sheriff Wayne Brown and staff. Price of the dinner will $1 with a child's plate for 50 cents. All proceeds will go to the March of Dimes fund.

Gaiennies Return After Vacation Trip In South

Mr. and Mrs. Frank Gaiennie are back from an extensive trip through the eastern and southern part of the United States, first flying to Washington, D.C., and then on to Savannah, Ga., where their son and daughter-in-law, Mr. and Mrs. Daryl Gaiennie and their son and daughter have been living for several years.

Bill, grandson of the local couple and who formerly attended school here, is now over six feet tall and last August received an appointment to the U. S. Merchant Marine Academy.

Tampa, Fla., with a number of interesting side trips was the destination of the travelers after Christmas and then on to New Orleans where Gaiennie met an uncle for the first time in 49 years. His relative told the visitor of the local man's great grandparents participation in the founding of the famous city, showing them a street named for the family and pointing out their living and burial places.

After seeing the Sugar Bowl game on New Years, the local couple arrived here by way of Texas.

TAHOE NOTES

A Christmas card, to the Sierra Sun hinting spring in the pictured pink camelia told of the sojourn of Mr. and Mrs. Ralph Peer of Tahoma and Hollywood, in Paris, France. The couple will continue their European travel before returning to Lake Tahoe for the season.

Mr. and Mrs. H. Slade were at their Lake Tahoe home, arriving from Hawthorne, Nev., where he has been employed this winter.

Mrs. Dan Mawhinney of Tahoe Pines has been visiting relatives at Portland, Ore.
